

## **PROGRAM INFORMATION SHEET AND FAQ**

### **What is OOF Vocational Skills Centre?**

OOF Vocational Skills Centre, a Social Investment Intervention initiative of Olumide Osunsina Foundation, provides underprivileged and underserved youths access to quality soft skills and vocational skills training, as well as internship opportunity that could enhance the youths' livelihood development.

### **What Are the Program Components?**

The program duration is approximately between 6 to 12 months depending on the program you put in for. The program includes two phases of soft skills training, vocational skills training and an on-the-job training (OJT) opportunity through internship. The breakdown of the program components are as follows:

#### **Soft Skills Training**

Soft Skills enables you to “think outside the box” both creatively and critically, such that you will be able to weigh up your options and make informed decisions that will increase the likelihood of succeeding in your vocational employment especially, and secure your livelihood.

#### **Phase 1:** (Pre-Vocational Skills Training)

- Emotional Intelligence
- Personal Effectiveness

#### **Phase 2:** (Post-Vocational Skills Training)

- Employability and Entrepreneurship
- Adaptability & Creativity
- Leadership.
